Chancellor's Update

Germany- Yesterday - Today - Rest of the World

THESE RULES WERE AMONG THE CAPTURED DOCUMENTS TAKEN FROM A GERMAN PRISONER IN DUSSELDORF, GERMANY, IN MAY 1919.

A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

B. Get control of all means of publication and thereby,

1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.
2. Divide people into hostile groups by constantly harping on controversial matters of no importance.
3. Destroy the people's faith in their natural leaders by holding them up to ridicule and criticism.
4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.
5. By encouraging government extravagance, destroy its credit, raise fears of inflation, and general discontent.
6. Foment unnecessary strikes in vital areas. Encourage civil disorders, and foster lenient and soft attitude on the part of government toward such disorders.
7. By specious argument cause the breakdown of the old moral virtues of honesty, sobriety, continence, faith in the pledge and word and ruggedness.

C. Cause the registration of all firearms in some pretext with a view to confiscating them and leaving the populace helpless.

Recently Pope Benedict XVI Emeritus wrote a letter to the world explaining what happened in the world and in the Church. In his short 6000-word document entitled "The Church and Sexual Abuse" he explains how the powers to be pulled it off. It is written in his classical doctrinal style

approach. At this point we wish our readers to read the letter for itself. It is readily available from Vatican websites as well as internet sources. Benedict XVI writes:

“My work is divided into three parts.

“In the first part, I aim to present briefly the wider social context of the question, without which the problem cannot be understood. I try to show that in the 1960s an egregious event occurred, on a scale unprecedented in history. It could be said that in the 20 years from 1960 to 1980, the previously normative standards regarding sexuality collapsed entirely, and a new normalcy arose that has by now been the subject of laborious attempts at disruption.

“In the second part, I aim to point out the effects of this situation on the formation of priests and on the lives of priests.

“Finally, in the third part, I would like to develop some perspectives for a proper response on the part of the Church.”

As for those who try to explain how the conspiracy functions, it becomes necessary to state opinions that are opposite to the main line of reasoning. For we have been told for decades by the experts that communism is the rising up of the poor masses (the proletariat) to overthrow the middle class (bourgeoisie). Actually, if you look at History, it is the super-rich (the aristocracy) that finances the poor masses to destroy the middle class. Notice the caravans of migrants that are invading the southern border of the US and are being financed by the super-rich of the world as for example George Soros. The super-rich hire people like Karl Marx and Saul Alinsky who plan, organize and lead the movements. Often these men dedicate their writings to Satan as a poem of Marx did or *Rules for Radicals* was dedicated to Satan by Alinsky.

It is our contention that the super-rich of each age run the world through their puppets. What we are seeing is the super-rich One World Globalist fighting a super-rich Nationalist. The reason for all the Deep State hatred of the Nationalist is that he is undoing a century or more of their work in less than two years.

To understand why the Church seems to be in so much confusion today, it is because they are using language with its meaning of a century ago. However, the clergy has not understood or has bought into the present propaganda of the Globalist or is being pragmatic in its usage of politically correct language. Thus, they confuse the world and themselves but in either case they fail to convey any true understanding of the world situation in regards to the Nationalist and the Globalist.

It is too bad that the popes did not consecrate Russia to the Immaculate Heart of Mary as requested by Sister Lucy before 1960.
